The screenshot displays the ESET SMART SECURITY application window. The title bar reads "eset SMART SECURITY". The main window title is "Сканирование компьютера" (Computer Scan). On the left, a navigation menu includes: "Домашняя страница" (Home page), "Сканирование компьютера" (Computer Scan), "Обновление" (Update), "Сервис" (Service), "Настройка" (Settings), and "Справка и поддержка" (Help and support). The main area shows a scan summary: "Сканирование компьютера" (Computer Scan) with a magnifying glass icon, "Сканирование всех локальных дисков и удаление угроз" (Scan all local disks and remove threats), and "Расширенное сканирование" (Advanced scan) with a dropdown arrow. Below this, a detailed scan result is shown for "Сканирование компьютера" dated "25.10.2016 15:30:50". It reports "Обнаружено угроз: 0" (Threats detected: 0) and lists a file: "C:\Program Files\VMware\VMware Tools\VMToolsHookProc.exe". A progress bar is visible below the file name. At the bottom of the scan window, there are buttons for "Больше сведений" (More details) and "Открыть окно сканирования" (Open scan window). At the very bottom of the application window, there is a footer with "ENJOY SAFER TECHNOLOGY™", a "Действие после сканирования" (Action after scan) dropdown menu set to "Ничего не п..." (Nothing), and a notification: "Пробной версии истекает через 28 дней." (Trial version expires in 28 days).
