The screenshot displays the Dronar Brass Module software interface. At the top, the title bar shows "Complex Future City JGR". Below this, a control panel includes "Output: st. 1", "MIDI Ch: [A] 1", "Voices: 0 Max: 512", "Memory: 214.32 MB", and a "Purge" button. A "Tune" knob is set to 0.00. The main display area features the "DRONAR BRASS MODULE" logo and a "GOTHIC INSTRUMENTS" header. Below the logo are "RANDOMIZE SAMPLES", "STORE DRONE", and "LOAD DRONE" buttons. The interface is divided into four frequency bands: FX, HI, MID, and LO. Each band has a "Thick" button, a sample name dropdown, and a set of eight circular sample selection buttons. The FX band is set to "Fanatics Hall", HI to "Strings Ambient", MID to "Muta-Saw", and LO to "Sustain Cl". At the bottom, there are tabs for "MAIN", "EXPERT", "LFO & FX", "ARP", "RHYTHM", and "MASTER FX". A "SMART BASS" button and "Bass Note: C" display are also visible.
